

UAB Kronos Mobile App Setup. *(Updated 11/1/24, 2:00 p.m.)*

Requirements:

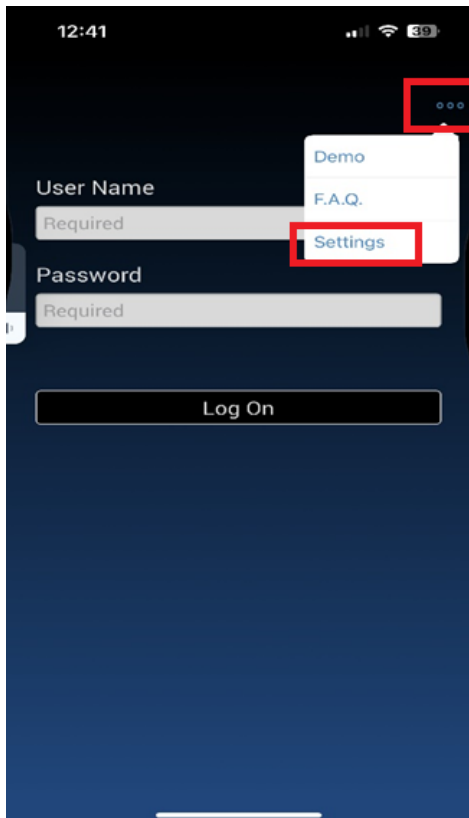

- UABMC ID (Email ID)
- MFA Setup for UAB

Steps to update Kronos Mobile from Ascension Kronos to UAB Kronos

Open your UKGWorkforceNow App on your phone

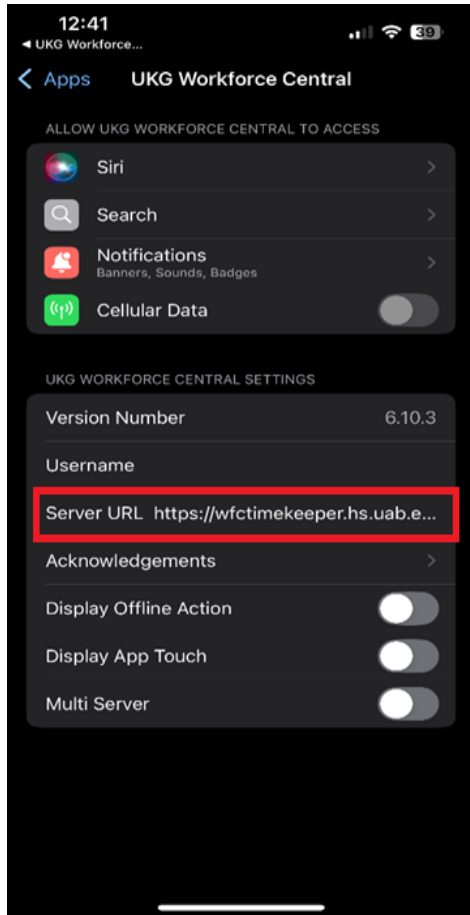

Next select the ellipses (3 dots) in the upper right of the app to access "Settings"

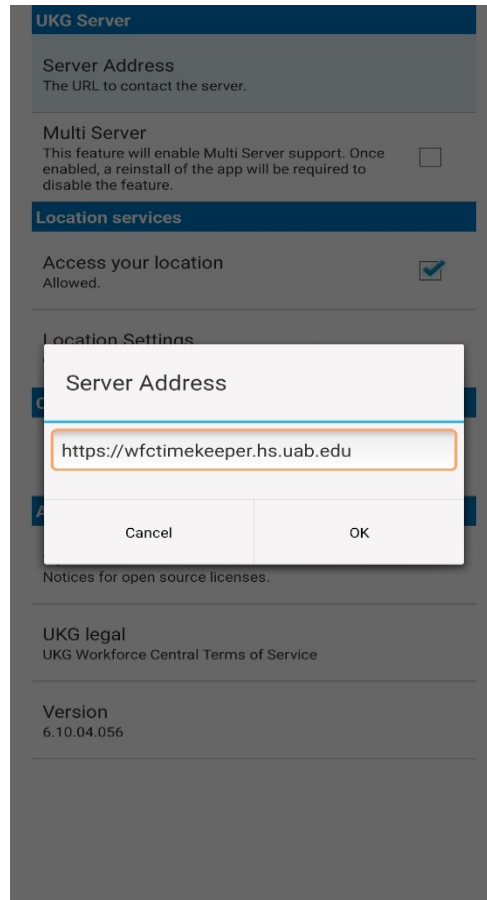

Finally, replace the "Server URL" with the following: <https://wfctimekeeper.hs.uab.edu>

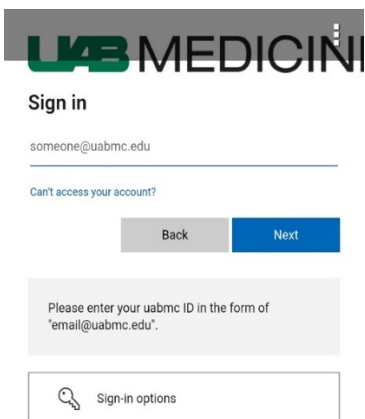

IOS Phones (Apple)

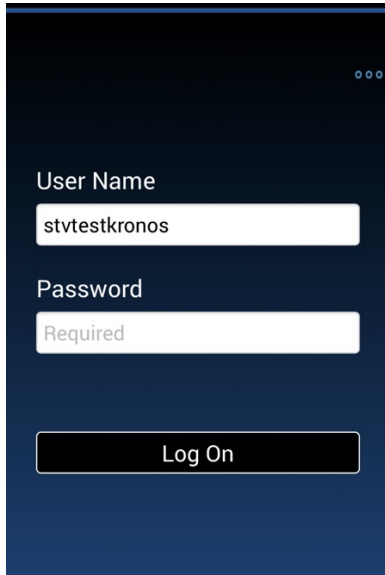

Android Phones

Once connected, you will be prompted to enter your full userid (include the @uabmc.edu) and complete the MFA process.

Once MFA process is completed, the Logon Screen will appear. If you entered a username in Settings it will auto-populate here. If not, enter your UABMC ID username and password. This is the same username you would use to check your email for your @uabmc.edu email address. *NOTE: the username should be entered in all lowercase and not include the @uabmc.edu portion.*

Once authenticated the app should show you the available functions according to your profile.
